Space Opera

ULTRA GALAXY FIGHT: NEW GENERATION HEROES (UGFNGH) is distinct from existing Ultraman TV series in a number of ways. The story of UGFNGH is set not only on Earth, but across the galaxy. The New Generation Heroes, centered around Ultraman Ginga, deepen bonds with each other through their adventures across the universe to save Ultraman Zero.

A Dream Team

All New Generation Heroes from Ultraman Ginga (2013) to Ultraman R/B (2018) assemble outside of their own series for the first time! Furthermore, numerous other Ultras from different titles also appear on the same screen along with the New Generation Heroes!

ULTRA GALAXY FIGHT: NEW GENERATION HEROES was released simultaneously in multiple languages on several platforms, including YouTube. This gives people all over the world a chance to share their excitement at the same time, allowing the fan community to grow more than ever.

The Untold History of Ultraman

ULTRA GALAXY FIGHT: THE ABSOLUTE CONSPIRACY reveals the untold history of the past and missing links of the Ultraman universe, connecting those to the as-ofyet unseen "Saga" project.

For instance, the past chapter portrays the early days of Ultraman Belial and Ultraman Tregear, both very popular villains in the Ultraman series, before they fell into darkness.

A New Enemy

A mysterious new character with a gold-colored body, which is opposite to Ultraman's silver color, wields tremendous power and operates from the shadows. He seems to be interested in the Land of Light, but his real intentions are unknown...

The biggest threat to the galaxy...

A War Breaks Out

While Tartarus works behind the scenes, Ultraman Zero becomes aware of a menace that could potentially have an enormous impact on the balance of the galaxy. Ultraman Zero decides to organize the "Ultra League" in order to fight against the attacking enemies. A war breaks out between Ultraman and Tartarus!!
